What is WOMEN BUILD?

Women Build is a community of strong, dedicated women, coming together to create positive change and a lasting impact in their community. Women from all different backgrounds, careers, and experiences join together to be a force for good not only for themselves but for their community. Whether it be your sorority, family, church, or co-workers, we welcome you to join us as we collectively empower families on their journey to gain financial independence through homeownership.

What are the requirements to participate in WOMEN BUILD?

All Women Build participants must:

- Be 18 years or older (Ages 16-17 welcome but require adult supervision)
- Create or join a Team of 10.
- Fundraise! All Women Build participants are required to raise \$150 per person from now until April 22nd.

All Genders Welcome! Women Build is not made to exclude men, it simply is made to empower women.
