JOIN US ON OCTOBER 18, 2018
AS WE LAUNCH INTO OUR 30TH ANNIVERSARY
MARRIOTT DOWNTOWN HARTFORD

DEAR HABITAT FRIEND,

Hartford Area Habitat for Humanity is proud to announce its 30th anniversary. Hartford Habitat will be marking this momentous occasion with a year long celebration that will honor our past, present and future. As we reflect on our journey, we are grateful for the unparalleled support of our volunteers, corporate and faith partners that enabled us to build sustainable communities with hope. With your collective efforts, prayers and trust, Hartford Habitat continues to thrive.

Our Past: In 1988, Robert and Marion Mayo returned to Connecticut from Americus, Georgia inspired to establish an affiliate in Hartford, Connecticut. With the help of several willing hearts, Millard Fuller, Habitat’s founder was the featured

speaker at a celebratory event that launched this affiliate into purpose.

Our Present: The affiliate has successfully lived out the mission of building more than a house! We have expanded beyond the single stand alone home to be a fullscale housing developer including rehabs and critical repairs. Our model has fully developed to include construction, retail operation and support services for our homeowners.

Our Future: We are eager to continue this work with the purpose of serving a minimum of 50 families annually. We seek to fulfill the vision that everyone has a decent place to live in the world.

You are cordially invited to join us as we launch into our 30th Anniversary.

In Partnership,

R. Scott Orsey
