We have audited the accompanying consolidated financial statements of Hartford Area Habitat for Humanity, Inc. (a nonprofit organization), which comprise the consolidated statement of financial position as of June 30, 2018, and the related consolidated statements of activities and changes in net assets, cash flows and functional expenses for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Hartford Area Habitat for Humanity, Inc. as of June 30, 2018, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Notes to the Consolidated Financial Statements

June 30, 2018

NOTE 1 - ORGANIZATION ACTIVITY

Hartford Area Habitat for Humanity, Inc. ("HAHFH"), a non-profit organization, non-stock corporation organized under Connecticut law in 1988, is located in Hartford, Connecticut. HAHFH, affiliated with Habitat for Humanity International ("HFHI") based in Americus, Georgia, builds homes for low-income individuals in the Hartford area. Purchasers, who have been approved and selected by HAHFH, volunteer their labor in partnership with HAHFH to build the house. The house is then sold to the individual at a predetermined cost which is reviewed annually by the HAHFH. Upon sale, HAHFH takes back a non-interest bearing mortgage for approximately 99% of the sales price. These mortgages are usually long term, ranging from twenty to thirty years.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of Hartford Area Habitat for Humanity, Inc. is presented to assist in understanding HAHFH's financial statements. The financial statements and accompanying notes are representations of HAHFH's management who is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

Basis of Accounting - The financial statements of HAHFH have been prepared on the accrual basis.

<u>Basis of Presentation</u> - Financial statement presentation follows *Financial Statement of Not-for-Profit Organization* topic of the Financial Accounting Standards Board ("ASC"). Under this topic, HAHFH reports information regarding it financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

Unrestricted Net Assets - Net assets that are not subject to donor-imposed stipulations. HAHFH treats all support that is restricted by the donor as unrestricted support when the receipt of the support and the expiration of the restriction occur in the same period.

Temporarily Restricted Net Assets - Net assets subject to donor-imposed stipulations that may or will be met, with actions of HAHFH and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently Restricted Net Assets - Net assets that are subject to the restriction of gifts instruments, requiring in perpetuity that the principal be invested and income only, some of which is restricted for specific purposes, be utilized. HAHFH did not have any permanently restricted net assets at June 30, 2018 and 2017.

<u>Cash and Cash Equivalents</u> - HAHFH considers cash on deposit with financial institutions, money market funds, and other investments with an original maturity of three months or less to be cash equivalents. HAHFH maintains its cash in bank accounts, which, at times, may exceed federally insured limits. HAHFH has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

<u>Restricted Cash</u> - HAHFH restricts the use of cash which has been set aside for specific housing projects and charitable pursuits.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

<u>Receivables</u> - Grant and other receivables arising from regular operations are stated net of an allowance for doubtful accounts. Allowances are set based on assessments by management as to the collectability of individual accounts. There was no allowance for doubtful account as of June 30, 2018 and 2017.

<u>Mortgages Receivable</u> - Mortgages receivable consist of non-interest bearing loans which are secured by the real estate and payable in monthly installments over the life of the mortgage.

Inventory - Inventory on properties constructed for sale is valued using specific identification.

<u>Property and Equipment</u> - All acquisitions or donations of property and equipment are recorded at cost or their fair market value at the date of the gift. Depreciation is provided for over the estimated useful lives of the assets on a straight-line basis. The respective estimated useful lives are five to thirty-nine years. HAHFH follows the practice of capitalizing all expenditures for property and equipment in excess of \$1,000.

Other Real Estate Owned - Other real estate owned is carried at the lower of fair value or acquisition cost.

<u>Investments in Partnerships</u> - HAHFH invested, along with several other Habitat affiliates, in two separate joint ventures named HFHI-SA Leverage IX, LLC and CCML Leverage I, LLC to take advantage of new market tax credit ("NMTC") financing. The investments in the joint ventures are recorded at fair market value using the cost approach. Any changes in market value are reported in the consolidated statement of activities and changes in net assets as investment income or loss.

<u>Contributions</u> - Contributions, including unconditional promises to give, are recognized as revenue in the period received. All contributions are available for unrestricted use unless specifically restricted by the donor. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Unconditional promises to give that are due in subsequent years are reported at the present value of their net realizable value, using risk-free interest rates applicable to the years in which the promises are to be received.

<u>Donated Materials and Services</u> - Donated property, including building materials, is recorded as a contribution at a discounted retail value when received. HAHFH receives donated services from a variety of unpaid volunteers who assist in building the houses. No amounts have been recognized in the accompanying statement of activities for these services because the criteria for recognition of such volunteer efforts under the Not-for-Profit Entities topic of the FASB Accounting Standards Codification (FASB ASC 958) have not been satisfied.

HAHFH reports gifts of buildings and equipment as unrestricted support at their estimated fair value at the date of donation. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent explicit donor stipulations about how long those donated assets must be maintained, HAHFH reports expirations of donor restrictions when the donated or acquired assets are placed in service. HAHFH reclassifies temporarily restricted net assets to unrestricted net assets at that time.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

In-kind contributions consist of air conditioner units donated by Carrier Corporation and discounts on services provided by various contractors. The total amount of in-kind contributions recognized for the years ended June 30, 2018 and 2017, was \$129,283 and \$117,702, respectively.

<u>*Tax Status*</u> - HAHFH is a not-for-profit organization as described under Section 501(c)(3) of the Internal Revenue Code and is not subject to federal or state income taxes. In addition, HAHFH qualifies for the charitable contribution deduction as provided in Section 170 of the Internal Revenue Code.

<u>Use of Estimates</u> - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

<u>Reclassifications</u> - Certain prior year amounts have been reclassified to conform to the current year presentation.

<u>Comparative Totals</u> - The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with HAHFH's financial statements for the year ended June 30, 2017, from which the summarized information was derived.

<u>Subsequent Events Measurement Date</u> - HAHFH monitored and evaluated any subsequent events for footnote disclosures or adjustments required in its financial statements for fiscal year 2018 through February 4, 2019, the date on which the financial statements were available to be issued.

NOTE 3 - INVENTORY

The residential units in inventory consist of the following as of June 30:

	 2018	 2017
Construction in progress and completed units that		
are unoccupied	\$ 219,339	\$ 574,653
Land	14,714	298,753

Land - NMTC #2	-	423,064
ReStore Purchased Inventory	23,582	-
Total inventory	\$ 355,399	\$ 1,299,481

NOTE 4 - OTHER REAL ESTATE OWNED

Other real estate owned is comprised of foreclosed and first right of refusal ("FROF") homes. Properties are foreclosed upon after the homeowner has become seriously delinquent in their loan payments and all attempts to work with the homeowner have failed. For the FROF homes, Habitat maintains a FROF to repurchase any Habitat home that is proposed to be sold by a Habitat homeowner during the term of the mortgage. Other real estate owned totaled \$242,656 and \$495,164 as of June 30, 2018 and 2017, respectively.

NOTE 5 - INVESTMENTS IN PARTNERSHIPS

During November 2011 and April 2012, HAHFH participated in two NMTC programs. The programs provided funds to eligible organizations for investment in qualified low-income community investments. Program compliance requirements include creation of a promissory note and investment in a qualified community development entity ("CDE or sub-CDE"). Tax credit recapture is required if compliance requirements are not met over a seven-year period. In November 2011, HAHFH invested, along with several other Habitat affiliates, in a joint venture named HFHI-SA Leverage IX, LLC to take advantage of the NMTC financing. As a result, HAHFH initially invested \$1,931,719 (combination of cash and workin-process inventory) and was able to secure a 16-year loan in the amount of \$2,551,620 payable to the sub-CDE named HFHI-SA NMTC VI. LLC. The loan proceeds are to be used solely for the purpose of constructing and selling qualified housing properties to low income residents. The loan requires semiannual interest only payments until November 15, 2019 at 0.75%. Commencing November 15, 2019, semiannual principal payments are due through the maturity date of November 13, 2027. In April 2012, HAHFH invested, along with several other Habitat affiliates, in a joint venture named CCML Leverage I, LLC to take advantage of the NMTC financing. As a result, HAHFH initially invested \$1,448,867 (combination of cash and work-in-process inventory) and was able to secure a 16-year loan in the amount of \$1,880,000 payable to the sub-CDE named CCM Community Development XVII, LLC. The loan proceeds are to be used solely for the purpose of constructing and selling qualified housing properties to low income residents.

The loan requires semi-annual interest only payments until May 5, 2019 at 0.77%. Commencing May 5, 2020, semi-annual principal payments are due through the maturity date of April 11, 2028. The loans are secured by substantially all the assets acquired by HAHFH from the projects loan proceeds. The loans have a put feature option that is exercisable in November 2018 and May 2019, respectively. Under the terms of the put option agreement, the joint venture is expected to purchase the ownership interest of the affiliated investment fund that is the upstream effective owner of the sub-CDE, and holder of the promissory note due from HAHFH, as long as compliance requirements are met.

Exercise of this option will effectively allow HAHFH to extinguish its outstanding debt owed to the affiliated investment fund.

The investments are recorded at market value as follows at June 30, 2018 and 2017:

	2018	2017
HFHI-SA NMTC VI, LLC	\$ 2,134,432	\$ 2,104,188
CCM Community Development XVII, LLC	1,600,106	1,576,956
	\$ 3,734,538	\$ 3,681,144

NOTE 6 - MORTGAGE NOTES RECEIVABLE

Mortgage notes receivable represent non-interest bearing amounts due from individuals who have purchased homes constructed by HAHFH. These amounts are to be paid over terms ranging from twenty to thirty years as follows:

2018	2017
\$ 13,711,794	\$ 12,562,656
(6,807,744)	(6,247,979)
6,904,050	6,314,677
(851,596)	(772,178)
\$ 6,052,454	\$ 5,542,499
	\$ 13,711,794 (6,807,744) 6,904,050 (851,596)

NOTE 6 - MORTGAGE NOTES RECEIVABLE (CONTINUED)

Since the above referred mortgage notes are non-interest bearing, the net present value of each of these notes is less than face value. The net present value of these notes (at an imputed interest rate ranging from (7.57% to 7.47%) is \$6,904,050 and \$6,624,545 at June 30, 2018 and 2017, respectively. The servicing of these mortgages is performed by a bank. The scheduled estimated maturities of these notes are approximately:

Year ended June 30,

2019	\$ 851,596
2020	851,596
2021	851,596
2022	851,596
2023	851,596
Thereafter	 2,646,070
	\$ 6,904,050

HAHFH sells homes based on its predetermined cost, which is reviewed annually by the Affiliate, and concurrently, HAHFH also holds a second and third mortgage on the difference between the fair market value and the selling price. The purpose of the second and third mortgage is to insure that the purchaser retains possession of the property for a given period of time and does not sell to personally benefit from the difference between the purchased price and the fair market value. The second and third mortgages are forgiven ratably between six and thirty years after the purchase of the homes. If the homeowner sells prior to the time period of the second and/or third mortgage being ratably forgiven, the balance of the mortgage will be repaid from the sales price. It is anticipated that none of these mortgages will be required to be repaid. As a result, these mortgages have not been recorded in the financial statements as of June 30, 2018 and 2017, respectively.

NOTE 7 - DEPOSITS AND ESCROWS

Deposits consist of down payments on home purchases and escrows consist of loan payments on AAR Program Notes paid in advance. Down payments represent funds received from families before they move in as a commitment to purchase a house. In the event a family decides not to purchase the home, the down payment will be returned to the individuals and the occupancy payments will be considered rent to HAHFH according to a use and occupancy agreement. HAHFH borrows funds from HFHI's Accelerated Asset Recovery (AAR) Program. As a condition of the program, HFHI reduces the amount of funds lent to HAHFH by one scheduled loan payment.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of Hartford Area Habitat for Humanity, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Hartford Area Habitat for Humanity, Inc., which comprise the statement of financial position as of June 30, 2018 and the related statements of activities and changes in net assets, cash flows and functional expenses for the year then ended, and the related notes to the financial statements, and have issued a report thereon dated February 4, 2019.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Hartford Area Habitat for Humanity, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Hartford Area Habitat for Humanity, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness Hartford Area Habitat for Humanity, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of Hartford Area Habitat for Humanity, Inc.'s financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Hartford Area Habitat for Humanity, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of Hartford Area Habitat for Humanity, Inc.'s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Hartford Area Habitat for Humanity, Inc.'s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
