NATIONAL HOMEOWNERSHIP MONTH

Yesterday, we hosted our Open House for both the Financial Freedom Center and the Main Street Homes. Mayor Bronin joined us and congratulated us on taking on a great need within the region. We honored Cigna, Dougie Trumble, Habitat Family Partner and Ambassador. We acknowledged the legacy of Nancy Braender, Delores Keevan and Ruth Puff.

It takes all hands on deck to fulfill our mission and we would like to thank all of our corporate sponsors for their continued support.
