# ABOUT US

## OUR MISSION

Seeking to put God's love into action.

Habitat for Humanity brings people together to build homes, communities and hope.

## ABOUT HABITAT FOR HUMANITY

We are dedicated to eliminating substandard housing through constructing, rehabilitating, and preserving homes; by advocating for fair and just housing policies; and by providing training and access to resources to help families improve their shelter conditions.

*We are founded on the conviction that every man, woman and child should have a simple, durable place to live in dignity and safety.*
