ABOUT US

OUR MISSION

Seeking to put God's love into action.

Habitat for Humanity brings people together to build homes, communities and hope.

ABOUT HABITAT FOR HUMANITY

We are dedicated to eliminating substandard housing through constructing, rehabilitating, and preserving homes; by advocating for fair and just housing policies; and by providing training and access to resources to help families improve their shelter conditions.

We are founded on the conviction that every man, woman and child should have a simple, durable place to live in dignity and safety.
